

Press Release

Brevard County, Florida Clerk of Court Live with OnCore Official Records System

Casselberry, Florida (November 13, 2006) - Aptitude Solutions, a division of Fortune 500 company Fidelity National Information Services, Inc. (NYSE:FIS) and leading provider of innovative technology solutions for county government announce the successful implementation of their OnCore Official Records System in the Brevard County Clerk of Courts Official Records office. Brevard County, Florida is the 24th live installation of OnCore in the State of Florida and the 38th nationally. Brevard County records approximately 400,000 documents per year and represents the top 10% of recording volumes of 67 counties in the State of Florida. In addition to OnCore, Brevard plans to go-live over the next month with Aptitude Solutions aiINDEX automated indexing solution, aiREDACT automated redaction solution and Tribute Tax Deed System.

Brevard County went through an extensive RFP process to select a replacement vendor for their current in-house system. The fact that they have selected Aptitude as their vendor of choice illustrates how Aptitude Solutions continues to be the leading vendor of choice for Florida counties looking to improve their workflow and efficiency.

Aptitude Solutions is dedicated to pioneering technology solutions that streamline the Official Records recording process and maximize efficiencies for county government. Their customers' eagerness to implement those tools is a testament to their ability to deliver quality, leading edge solutions.

Brevard County Highlights

- 1,538 documents recorded in the first official day of recording
- 5 offices brought up live simultaneously
- Plans to go-live over the next month with aiINDEX, aiREDACT
