Hillsborough County Clerk of Court Live with OnCore Official Records System

Casselberry, Florida (November 13, 2006) - Aptitude Solutions, a division of Fortune 500 company Fidelity National Information Services, Inc. (NYSE:FIS) and leading provider of innovative technology solutions for county government announce the successful implementation of their OnCore Official Records System in the Hillsborough County Clerk of Courts Official Records office. Hillsborough County is the 23rd live installation of OnCore in the State of Florida and the 37th nationally. Hillsborough County records approximately 600,000 documents per year and represents the 5th highest recording volume of 67 counties in Florida. In addition to OnCore, Hillsborough plans to go-live over the next month with Aptitude Solutions aiINDEX automated indexing solution, aiREDACT automated redaction solution and Tribute Tax Deed System.

According to Recording Director, Jack Ethridge, "having Aptitude personnel onsite at each of our recording locations really made a big difference and the implementation went smoother than I had anticipated. The OnCore system is very user friendly and easy to navigate. This new modern recording system will help us provide faster and more efficient service to the taxpayers of Hillsborough County."

President of Aptitude Solutions, Paul Miller, stated, "Hillsborough represents one of the largest recording volumes in the State of Florida. We are excited to have the opportunity to work with such an experienced and dedicated staff."

Aptitude Solutions is dedicated to pioneering technology solutions that streamline the Official Records recording process and maximize efficiencies for county government. Their customers' eagerness to implement those tools is a testament to their ability to deliver quality, leading edge solutions.
