Manatee County, Florida Clerk of the Circuit Court Live with Automated Redaction

Maitland, Florida -- (October 1, 2007) -- Aptitude Solutions, a division of Fortune 500 company Fidelity National Information Services, Inc. (NYSE:FNF) and leading provider of innovative technology solutions for county government, including OnCore county recording and workflow management systems, tax deed filing systems, document management systems and court case management systems, today announced the implementation of aiREDACT automated redaction technology at Manatee County, Florida Clerk of the Circuit Courts office.

Manatee County, Florida was selected by the State Supreme Court Committee to pilot a program for public access to court records. In order to do so, one of the requirements was to redact publicly sensitive information from these records. Manatee County Clerk of the Circuit Court chose Aptitude's aiREDACT product to meet this requirement.

This project represents a joint effort between the Manatee Clerk of the Circuit Court, Aptitude Solutions and Manatee's court vendor to develop a model that would operate seamlessly with the current court workflow process. After several joint meetings the group developed a solution that met the Clerk's needs. By nature, court records contain a great deal of sensitive information that is protected under Florida's current legislation.

The need for protecting sensitive publicly available information has become a major concern for many counties across the country. With aiREDACT, Manatee County, Florida now has the tools necessary to ensure that this information remains protected. The aiREDACT product uses OCR technology to analyze documents for locating and redacting sensitive information such as social security numbers, bank account numbers, driver's license numbers, and more.

Vice President, Tim Nemethy, explains, "Our implementation with Manatee is representative of the level of effort our team is willing to put forward to meet our customers' needs. We are excited to be working hand in hand with Manatee's Clerk of the Circuit Court to meet their needs for this exciting pilot program."
