

Press Release

Putnam County, Ohio Recorder To Implement Aptitude Solutions' OnCore Recording System

Casselberry, Florida (August 20, 2007) - Aptitude Solutions, a division of Fortune 500 company Fidelity National Information Services, Inc. (NYSE:FIS) and leading provider of innovative technology solutions for county government, today announced that Putnam County Ohio will implement Aptitude Solutions OnCore Recording system. After an extensive Request for Proposal process, Putnam County will become the 2nd County in the state of Ohio to implement Aptitude Solutions' OnCore recording platform, a system used by county government for electronic land records indexing and eRecording. With OnCore's unique workflow capabilities, Putnam County will be able to offer immediate document turn-around for all walk-in customers.

Putnam County Recorder Cathy Recker states "We researched several companies during the RFP process before deciding on selecting a vendor which exceeds all of our recording and scanning needs. Aptitude Solutions will provide us with a system which is proven to increase efficiencies and streamline the workflow process in recording departments. Aptitude Solutions is a true leader in the industry."

In addition, OnCore's online linking will allow the public instantaneous access to their recorded documents through the system's dynamic interaction to the web. The recording software's web interface enables up-to-the-minute searching and image viewing from home or office. Migrating to the new OnCore System assures that the Putnam County Recording office employees and searchers will have the most up-to-date technology designed specifically for the digital realm. Aptitude Solutions' policy to provide enhancements packaged in regular updates to all OnCore customers allows everyone to benefit from new ideas and quality features.

Vice President, Tim Nemethy says, "We are pleased to announce the signing of Putnam County which represents the 2nd County in Ohio to join Aptitude Solutions. We are very excited about the opportunity to work with Cathy Recker and her team to bring the latest advances in technology in the industry to her office."

Aptitude Solutions is dedicated to pioneering technology solutions that streamline the Official Records recording process and maximize efficiencies for county government. Their customers' eagerness to implement those tools is a testament to their ability to deliver quality, leading edge solutions.
