

## Press Release

### Rockingham County, North Carolina Register of Deeds Live with Aptitude Solutions' OnCore Recording System

**Casselberry, Florida (August 20, 2007)** - Aptitude Solutions, a division of Fortune 500 company Fidelity National Information Services, Inc. (NYSE:FIS) and leading provider of innovative technology solutions for county government, today announced the implementation in Rockingham County, North Carolina Register of Deeds office with Aptitude Solutions' OnCore Recording system.

Rockingham County represents our second county in North Carolina to move to OnCore, taking advantage of OnCore's unique features and advanced technology. In addition, Rockingham County also plans to take advantage of OnCore's aiIndex technology in the near future, which will enable the Register of Deeds office to seamlessly scan documents and then index the real estate deed information without manual intervention. With OnCore's workflow capabilities, Rockingham County will be able to offer immediate document turn-around for all walk-in customers. In addition, OnCore's online linking will allow the public instantaneous access to their recorded documents through the system's dynamic interaction to the web. The recording software's web interface enables up-to-the-minute searching and image viewing from home or office.

Migrating to the new OnCore System assures that the Rockingham County Register of Deeds office employees and searchers have the most up-to-date technology designed specifically for the digital realm. Aptitude Solutions' policy to provide enhancements packaged in regular updates to all OnCore customers allows everyone to benefit from new ideas and quality features.

*Rockingham County Register of Deeds Rebecca Cipriani states, "This has been a very rewarding project and has enabled us to eliminate steps in our workflow. The transfer of data electronically rather than physically handling paper has improved our business process. We feel confident that OnCore simplifies our recording process allowing us more time to verify documents also allowing us to better serve our customers."*

*Register of Deeds Rebecca Cipriani also states, "We've never seen any vendor give the quality of service or spend so much time helping train our staff and our customers as Aptitude has demonstrated during this process."*

*Executive Vice President, Paul S. Miller states, "Rockingham County's installation of the OnCore Recording system represents the 2nd county in North Carolina joining the Aptitude Family. With the implementation of OnCore, Rockingham County is helping to lead the way to higher efficiency and productivity and quality for all land records in North Carolina. All of us at Aptitude Solutions welcome Rockingham County and look forward to working together with them."*
