

## Press Release

### **Skamania County, Washington Auditors' Office Live with Automated Indexing**

**Maitland, Florida -- (October 2, 2008) --** Aptitude Solutions, a division of Fortune 500 company Lender Processing Services, Inc. (NYSE:LPS) and leading provider of innovative technology solutions for county government, including OnCore county recording and workflow management systems, tax deed filing systems, document management systems and court case management systems, today announced the implementation of aiINDEX automated indexing technology at Skamania County, Washington Auditors' Office.

Skamania County Washington Auditors' office has taken advantage of the aiINDEX technology, which is fully integrated with the OnCore Recording System. OnCore utilizes up-front scan technology that completely digitizes the official record indexing and recording process, thus reducing internal paper flow and expediting the document recording process. These added solutions enhance automation in the overall recording process, thus increasing accuracy and accessibility of the data.

*Melissa Anderson—Recording Manager states, "As the only person working in recording, any improvement in efficiency makes a huge impact. aiINDEX have reduced my workload considerably."*

As recording volumes grow, OnCore's aiINDEX will help Skamania County maintain their quality of service and quick recording turnaround as they move into the future.

*President, Paul Miller explains, "We are very excited, that Skamania County continues to be committed to the latest technology. The efficiencies gained by Skamania County are evidence of the product's strength in the recording environment."*
